Requirements and Notes concerning the Bachelor of Arts in Sustainability Studies degree

- New students should take the Roosevelt University Assessment test before registering for their first semester. Students will not be allowed to register for a second semester at Roosevelt until the RUA is completed.
- The final 30 semester hours of any Roosevelt University degree must be completed at Roosevelt University.
- Students must have a 2.0 grade point average to graduate
- SUST 210, Sustainable Future, is a recommended first course in the major.
- English 101 is a pre-requisite for all 200-level Sustainability Studies courses.
- PLS 290: Students transferring in MATH 110 "Quantitative Literacy," or substantial math including College Algebra or College Statistics with a C or better but no quantitative Literacy course may be waived out of PLS 290.
- The University Writing Requirement is a pre-requisite for all 300-level Sustainability Studies courses.
- Grade of C- or higher required in all Sustainability Studies courses
- Relevant Elective: Two courses (six semester hours) chosen in consultation with an advisor from the following subject areas: additional Sustainability Studies, Commerce and Enterprise, Criminal Justice, Hospitality and Tourism Mgmt., Organizational Leadership, Paralegal Studies, Biology, Chemistry, Environmental Science, GIS, Math (especially statistics).
- Double-Major: The Relevant Elective courses may be combined with the Functional Area courses to form a double-major in Criminal Justice or Paralegal Studies. All major requirements in each discipline must be met. See an advisor.
- Minors: Courses in the Functional Area and Relevant Electives may qualify for an academic Minor in a discipline if all requirements are fulfilled per the RU undergrad catalog.
- Functional Area: The Functional Area is defined as a sequence of six related courses (18 semester hours) in a discipline or an interdisciplinary area, listed below:

Recommended Functional Areas:	Other Functional Areas:	
Biology	Business* (9 sh in one business functional area required)	Natural Sciences*
Chemistry	Communications	Political Science
Commerce and Enterprise	Economics	Psychology
Criminal Justice	Education	Social Justice
Environmental Science	English	Social Science*
Hospitality and Tourism Mgmt.	Humanities*	Sociology
Math	Individualized* (must be approved by advisor)	
Organizational Leadership	Journalism	
Paralegal Studies		

(* maximum of three related subject areas allowed)

- General Education Requirements:
  - The basic math requirement may be satisfied by either PLS 290 (Technological and Quantitative Literacy) or Math 110 (Quantitative Reasoning) or higher.
  - Math 95 is pre-requisite to Math 110. Students doing a functional area in biology, chemistry, env science, or math are encouraged to take Math96 (if needed) and Math 121 as a relevant elective.
  - PLS 390 (Social Science Seminar), PLS 391 (Natural Science Seminar), and PLS 392 (Humanities Seminar) may count as 6 semester hours towards General Education Requirements.
