- Welcome!
- Acronyms and Lingo
- Meet the Staff
- Office Functions

Welcome!

We're excited you chose to get involved with the Center for Student Involvement (CSI) at Roosevelt University's Chicago Campus. Student organizations provide opportunities to meet other students and to be a part of the university community. Students who are active develop skills in leadership, planning, communication, and time management while working with their peers. CSI is here to help with starting and maintaining your student organization. We also provide resources and workshops throughout the year to enhance your personal leadership and organizational skills.

This guide was developed by CSI to assist students in becoming familiar with important information necessary for the success of student organizations. Students or organizations with questions regarding this handbook should contact CSI, contact information below. Additional resources are available in our office and our website, under "Student Organizations". Best wishes and enjoy your year!

Sincerely,

The Center for Student Involvement Staff

425 S Wabash Ave, Room 323, Chicago, IL 60605

Introduction

There are two different types of Organizations: Registered (RSO) and Recognized. Although the complete details separating the meaning between the two will be explained in this chapter, Registered Student Organizations enjoy more benefits, including eligibility for program funding via the Student Activity Fee Allocation Committee. Steps for registering and retaining status as a RSO are in the proceeding paragraphs. If interested in starting a Greek Organization, please see page 7 in addition to materials below.

Steps for Beginning a Student Organization

Becoming a new organization requires you to follow the same registration requirements as existing Student Organizations, which are explained in the next section. Once a new Student Organization completes all of these steps the steps, they will be eligible for status as an RSO. Students contemplating the creation of a new organization are encouraged to check the existing list (found on: www.roosevelt.edu/CSI/Orgs) of Registered Student Organizations (RSOs) to see if existing RSOs complement the wants and needs of someone looking to create a new RSO.

Registration for New and Existing Student Organizations

Registration for each semester (excluding summer) is required for all existing and new Student Organizations who wish to gain or retain RSO status. Here are a couple of quick facts for Student Organization Registration:

- The **deadline** for registration is usually after the first week of classes. For the specific date, reference the CSI Website: roosevelt.edu/csi.
- All of the information needed for Student Organization Registration will be documented through an online form that will be emailed to current RSOs during the registration process, however this form can also be found on the Student Organization Section of the CSI Website: roosevelt.edu/csi/orgs.

Listed below are the minimum requirements to register as a RSO:

1. The organization must fill out the online registration form – found on CSI’s website – complete with all contact information and signatures, each fall and spring semester.
2. The organization must obtain the names and contact information of at least seven members (All members must be current Roosevelt students enrolled for a minimum of 3 credit hours).
 - o Organizations struggling to find seven members should contact CSI for assistance.
3. The organization must have one faculty or staff advisor, who is a full time employee. Information for Advisors can be found on the CSI website.
4. Two members of your Student Organization must attend a Student Organization Round Up workshop at the beginning of each semester. The dates for roundups can be found on the CSI Website and will be e-mailed to all organizations that have completed step two.

Greek Organizations

Greek organizations (city-wide or otherwise) are held to the same requirements as all Recognized and Registered Student Organizations but must also abide by the Roosevelt University Greek Relationship Statement & Standards of Excellence. **Under no circumstances may SAFAC funding be used for closed or recruitment type events.**

If you would like to start a Greek organization, you must contact Elizabeth Choporis (echoporis@roosevelt.edu), Director in the Center for Student Involvement.

Room reservations for Greek organizations are subject to approval by the Center for Student Involvement. “Parties” of any kind are not permitted at Roosevelt University.

Student Organization Resources

Student Organizations that do not register under the requirements to be a RSO will be classified as Recognized Student Organizations.

Registered Student Organizations enjoy the following benefits and privileges:

- **Student Activity Fee funding** for events and programs via SAFAC (more information on SAFAC is located in the “Funding for Programming” chapter, page 20)
- Access to a **Student Organization mailbox** in the CSI Student Union Organization space next to CSI in WB 322

Both RSOs and Recognized Student Organizations enjoy the following benefits, privileges, and resources:

- Reservation of University facilities (dependent on availability), more information in the “Program Planning Process” chapter, located on page 10.

- **Promotion on CSI bulletin boards** throughout campus, CSI publications and on the CSI calendar, more information in the Event planning chapter, page 10.
- **Access to a copy & fax machine** (30 copies at a time), more information in the Event planning chapter, page...
- **Access to Student Organization space in WB 322**, CSI supplies, banner paper
- **Organizational consultations** from CSI staff. By appointment only, e-mail Elizabeth Choporis (echoporis@roosevelt.edu) for more information.
- **The CSI Website**, particularly the section for Student Organizations has an abundance of resources and documents (www.roosevelt.edu/csi/orgs), including but not limited to: The SAFAC Application, Room Reservation Forms, MMS Form, Contract Forms, Event Catering Menu, Advisor Documents.
- **The Student Involvement Fair**, which is held at the beginning of every semester for Student Organizations to market and table themselves. This event is marketed to new and returning students to come to and can be used as an opportunity to grow your Organization.
- **The Student Government Association** holds a variety of different committees on Campus Life, for which they hold open meetings. Student Organization members may receive notification of these committee meetings, and it should be the initiative of the Student Organization to reach out to SGA and particular SGA committees. To find out more information, visit their website: roosevelt.edu/CSI/SGA, contact them via e-mail sga@roosevelt.edu, or visit their office the Wabash Building 322 – H.
- **The Student Leadership Summit** is an annual weekend long retreat, held in the spring semester, which is led by CSI and is available to any student, Student Organization member, and leaders. This retreat promotes leadership development, self-reflection, social justice, and overall partnerships between students and administrators. Pay attention to the Leadership page on CSI's website (roosevelt.edu/CSI/Leadership) for dates and more information.

Policy on Retaining Student Organization Status

All student organizations must comply with University Code of Student Conduct and conduct oneself respectfully and portray Roosevelt University in a positive light. All organizations must also follow University guidelines policies, procedures, and contracts, room reservations, funding processes, and other operations. Failure to meet these requirements may result in a student conduct hearing, restrictions on access or privileges to individuals and/or an organization, or other outcomes.

The University Code of Student Conduct can be found at: www.roosevelt.edu/Policies/CodeOfConduct

Program Planning Process

Index:

- Introduction
- Fundraiser Planning
- Event Planning
- Specific Programming Tasks

Introduction

Programming is a valuable experience that Student Organizations can and should take full advantage of. Two distinct types of programming, Fundraisers and Events, are described in detail below. If you have questions regarding the programming process, please refer to the Center for Student Involvement website (www.roosevelt.edu/csi/orgs) or get in touch with us at csi@roosevelt.edu or 312-341-2015.

Fundraiser

The purpose of a fundraiser is an attempt to gain funds for items that will not be approved by SAFAC (for a complete list of these items, see page 21).

To host a fundraiser, **your organization must fill out the CSI Fundraising Form** located on the Documents and Forms section of the CSI website.

DEADLINES!

- 2 Weeks prior to the program: Turn in the CSI Fundraising Form into CSI

Event Planning

Give yourself enough time; it will take longer than you think. Do not underestimate the amount of time it will take to plan and execute a successful program. Three weeks, in many cases, is not enough time to complete all the required paperwork and secure the details for the event. Unexpected snags often happen in event planning, particularly for large-scale events. Make sure you budget enough time to complete all the steps needed.

To simplify the detailed planning of programming, details are split into two sections: the “Programming Timeline”, which has basic step and processes filtered into a timeframe and “Programming Task Details” which are the specific details of the programming timeline. Please read both carefully.

NOTE: This timeline is printed out via handout in CSI.

Programming Timeline	
4 (or more) Weeks Prior	<p>Determine the simple “needs” and “wants” of the program:</p> <ul style="list-style-type: none"> - What should the date and time of the program be? Is the event during normal University business hours; if not, what role will security take? Is the program taking place during other programs? - Is the program an Event or Fundraiser? - Is the Event going to need funding for a speaker, performer, decorations, catering, MMS? If so, download the SAFAC Funding Proposal and document all of these items. - Should the program be collaboration between two (or more) RSOs? If so, contact them and delegate. A list of all Student Organizations is on the CSI website. - What are the program’s goals? How are the responsibilities going to be delegated in your RSO? - Look over the Event Policies, located on page ..., your event may be canceled and/or penalized if you violate University and CSI Policy. <p>If your event has an outside speaker, performer, vendor, etc., your event will need a “Performer/Vendor” or “Non-Risk” Contract. Look over these documents making sure to touch base with the speaker, talent, or vendor to confirm availability and price.</p> <p>Download and fill out the SAFAC Funding Proposal if funding is needed for the program, fill it out completely. Ensure that the date you pick for the program is three full weeks ahead of the date you turn in your SAFAC Funding Proposal.</p>
3 Weeks Prior	<p>Complete “step one” of reserving the space for your program. Details on how to do so are below this timeline.</p> <p>Turn in your SAFAC Funding Proposal to CSI before the three-week deadline; sign up for a 15-minute SAFAC proposal slot for the upcoming Friday SAFAC meeting.</p> <p>If your SAFAC funding has been approved, the catering and MMS will be ordered by CSI.</p> <p>If a contract is needed for your approved event, contact CSI to set up a quick meeting to go over the contract process.</p> <p>After your program has been approved, immediately visit www.roosevelt.edu/StudentServices/EmailBlast so your event will be included in the weekly broadcast. You can also add your event to the University Calendar by clicking on the University Calendar link on the RU Homepage.</p>
2 Weeks Prior	<p>If a contract is needed for your approved event, meet with CSI staff to go over the contract details; make sure you make an appointment to do so. Follow Contract procedures as detailed below.</p> <p>Begin to publicize your event via flyers, social media, etc. Submit your flyers to the CSI staff; they will post the flyers on the designated CSI boards.</p>

	Complete “step two” of reserving the space for your program. Details on how to do so are below this timeline.
Week of Event	<p>Confirm arrival and departure times for talent.</p> <p>Confirm catering, MMS, and the reserved space, CSI will e-mail the conformations of each if ordered.</p> <p>Assign RSO members to assist with the event.</p>
Day of Event	<p>Arrive at venue early to set up and meet talent.</p> <p>Double check audio and visual systems are functioning.</p> <p>Check on catering.</p> <p>Make sure talent is taken care of and comfortable.</p>
After Event	<p>Clean the space you used.</p> <p>Complete SAFAC evaluations.</p> <p>Thank those that helped you with the event (Thank you notes are a nice touch!)</p> <p>If payment method for the program is “Reimbursement”, submit any receipts to CSI to receive a University check within 2 weeks.</p>

Specific Programming Tasks

- Choosing A Date For Your Event

- Pick a date and work backwards: Booking a venue, securing talent, getting catering- these are all steps in event planning that take time. Make sure that you allow yourself adequate time to plan. Poor planning or waiting until the last minute could cause your program to be canceled.
- Be mindful of other events when picking a date: Look at the Roosevelt website and check the events calendar (roosevelt.edu/Home/News%20and%20Events/Calendar) and the academic important dates (roosevelt.edu/Registrar/ImportantDates). If there is another big event happening you might want to think about rescheduling. Also scheduling events during finals or close to holidays can negatively impact your attendance.
- Please see Security Policy in “Events and Funding Policies” for events that are large and past the University operating hours.
- Make sure your event covers a time span that’s inclusive to Roosevelt Students!
 - Hint: there is a break for most students between 2:00 pm and 5:00 pm; most night classes end at 8:30p.m.
 - Hint: there are few classes on Friday, often resulting in fewer students on campus.

- **Reserving a Room or Space on Campus**

- **The Registrar** facilitates this process on behalf of anyone that wants to reserve space at Roosevelt. However, CSI is able to consult you on reserving space.
- **Which Room Do I Choose?** The room or space your program is located in dictates the flow of your program; a specific program could require a specific space. Here are some popular programming locations that have been used:
 - Congress and Fainman Lounge area; large spaces on the 2nd floor of AUD near Michigan Ave. side of University. Congress Lounge can be expanded; request the adjoining “232 series” if additional space is needed. For safety reasons, Physical Resource Staff must perform opening and closing of the walls.
 - WB 3rd Floor rooms are for Registered Student Organization use only and include the large multipurpose room (WB 317), the Small Meeting Room (WB 311) and WB 3rd Floor Open Lounge
 - WB 4th Floor conference rooms
 - WB 611, 612, 1016, 1017, and 1111 are theater styled lecture classrooms and can be useful for lecture, movie, or study-orientated programs. WB 611 and 612 hold 90+ people, while WB 1016, 1017, and 1111 hold between 60 and 78.
- **How Do I Reserve A Room?** To reserve a space on campus, you will have to access the Physical Resources portal [on campus](#) via Roosevelt University intranet. There are two steps required to reserve a space on campus:
 - **“Step One”** is requesting the space via the Online intranet site which can be found via the CSI Student Org Doc & Forms page.
 - Notes:
 - You must use your Roosevelt e-mail address when requesting a room. Room requests will be denied if a Roosevelt e-mail address is not provided.
 - Your **“Event Set-Up Time”** should be at least one hour before your event takes place.
 - Have alternative rooms in mind when completing step one, you can list back-up rooms in the description field.
 - If attendees are NOT Roosevelt students, then a faculty/staff advisor must be present at your event.
 - **“Step Two”** is filling out a hard copy of a Room Set-up Cover Sheet and Floor Plan once step one has been approved. Room Set-up Cover Sheet and Floor Plans should be printed, filled

out, and submitted via hard copy to Marvin Butts in AUD 105 (located in the Loading Dock) at least five days prior to the event.

- On the Room Set-up Cover Sheet, please list your needs and draw the set-up if you room has a floor plan available on the site. Include the following:
 - Tables for seating and catering
 - Chairs
 - Location of speaker(s)
 - Podium

- **How Do I Apply For Funding For My Event?**

- Any event funding at Roosevelt is handled through SAFAC; please see a detailed section in the “Funding for Programming” chapter, located on page 20
- The two items you CAN reference for funding in this section are: Catering and MMS.

- **How Do I Order Catering For My Event?**

- **Roosevelt University Catering** (location: W 2nd floor Cafeteria; e-mail: catering@roosevelt.edu) facilitates this process on behalf of anyone that wants to have catering at Roosevelt. Although CSI orders catering after an event is funded, Catering is able to consult with you regarding what food items to order.
- Catering for Roosevelt programs must go through Roosevelt University Catering; outside catering is not permitted.
- RSOs interested in applying for catering for their program, can find the catering menu in CSI’s Student Organization Documents and Forms section (roosevelt.edu/CSI/Orgs/Documents). **List any all catering menu items on your SAFAC Funding Proposal with item totals and prices.**
 - If your event receives funding, CSI will automatically process your catering order. The e-mail address listed on the SAFAC Program Action Plan will receive the e-mail receipt once processed.

- **How Do I Order Technology For The Event?**

- **Multi Media Services** (location: AUD 380; phone # 312-341-3650) is the office that handles technology for Roosevelt programs. You do not need to contact MMS unless you have questions about MMS materials before and/or during event set-up.

- All technology needed for your event is handled by MMS. **If you are applying for SAFAC, list the items you need on your SAFAC Funding Request.** CSI will order your MMS request if SAFAC approves your funding.
- See here for a list of technology that already exists in classrooms:
roosevelt.edu/ITS/mms/classroomConfig.

- **Does My Event Need A Contract? If So, What Is The Process?**

- This process takes time and it is recommended that you begin this process **AT THE VERY LEAST 3 WEEKS** in advance of your event. Documents referenced in this section are included in CSI's Student Organization Documents and Forms section: roosevelt.edu/csi/orgs.
- If you are using an outside vender, performer, speaker, etc. you will need to use a contract. **Outside vendors, performers, speakers, etc. are required to abide by and sign Roosevelt University's contract. Roosevelt University will not sign any other contract (including the vender, performer, speaker, etc. you are trying to bring to campus).** Here are a couple of reasons why contracts are needed:

- **Payment:** This secures payment for both the contracted and Roosevelt. **The payment for the performer/vendor will be received within 30 days after the event.**
- **Risk Management and Security:** There is an element of risk in all campus activities, which is why it is important to partner with CSI to ensure your event is safe and responsible.

- **What Is The Contract Process?**

- Although, the official contract process cannot begin until your event has received SAFAC funding (see page 20 for more information), you should have all the information ready for the contract process, such as:
 - Who is the vendor...name, address, etc?
 - Are they available for the dates you're requesting for your event?
 - What is the price is for the vendor?
 - Request a **riders** from the vendor, performer, speaker; this will outline any requests they have (i.e. multimedia, material, etc.)
 - Special parking note: If the vendor requests parking, Roosevelt University cannot pay for it separately. However, the price can be included in the final price for the vendor (i.e. if the final price is \$1,500; if should be \$1,525 if the vendor plans to use \$25 for parking).

- We suggest that an RSO Representative schedule a meeting with CSI Staff to review the process if there are questions.
 - There are two different contracts for two different processes; you will only use one contract or the other: **Non-Risk Contract (the “short contract) and Performer/Vendor (Long) Contract.** Again, if you have confusion about the contract process at all, contact CSI (see contact information on page 1)
 - **Non-Risk (Short) Contract and the Performer/Vendor (Long) Contract Steps:**
 - Complete the following processes with the documents below:
 - Download, print, and fill out the **Contract Checklist**; this will contain all the necessary steps to complete the contract process.
 - **Download TWO copies** of the Contract and fill in the highlighted areas only. No changes can be made to the RU Contract other than those highlighted. **DO NOT SIGN the contract.**
 - **The Insurance Addendum (for “LONG” Contract only)** is attached at the back of the contract; communicate with CSI Staff as to Insurance Liability. Proof of insurance from the performer/vendor is usually necessary.
 - Download and send the **W-9 Document** via e-mail to the vendor in order for the vendor to be paid. Once the vendor sends this document back, send it to CSI via e-mail or print out a hard-copy.
 - Submit proof of SAFAC funding (SAFAC funding e-mail will suffice), the TWO filled out RU Contracts, and any additional paperwork to CSI.
 - Send (via scanned .pdf, or mail) **BOTH completed** contracts to the vendor for the vendor to sign; make sure you communicate to the vendor to return both contracts.
 - Once the vendor has signed and returned both contracts, deliver the contracts to Elizabeth Choporis in CSI (for her to sign) and then to the AVP for Administrative Services (for them to sign); their signatures are the final signatures from Roosevelt University. Again, no Student Organization Representatives or Advisors should sign the contract.

- The AVP for Administrative Services will keep one copy; scan a third and fourth copy of the completed Contract for CSI and your Org to keep records of the contract (this can be done in the CSI office).
 - Send back one completed Contract to the Performer/Vendor for their records.
 - **Payment Methods:** For the payment process of a performer or vendor, please see the Funding for Events chapter, and specifically page 24.
- **Event Marketing:**
 - **Social Media:** E-mail Elizabeth Choporis to put the event on CSI’s social media outlets. Your RSO is responsible for posting on your own social media tools.
 - **Flyers:** Advertisements to be displayed on CSI bulletin boards must be submitted to the Center for Student Involvement. *CSI employees are the only individuals allowed to post flyers. We will only accept publicity for Roosevelt University- sponsored events.*
 - CSI can accept a **maximum of thirty (30) copies** of each item for display. Copies can be made in the CSI office during regular business hours only (If you come into the office less than 10 minutes before the office is to close, you may not be able to complete your copying). ****20 Boards are available for use within Wabash Residence Life****
 - CSI staff members will stamp all approved items.
 - Flyers must have the date, time, and location, sponsor name, and contact information. If the flyer does not have this information on it, the flyer will not be posted.
 - Approved items will be posted every Friday & Monday. **All advertisements must be turned in by 5:00 p.m. every Thursday**, to be posted the next day.
 - Flyers are removed every two weeks.
 - **What’s Happening @ Roosevelt- Weekly Email & University Calendar:** Events may be submitted via online form (www.roosevelt.edu/StudentServices/EmailBlast) every Wednesday by 5:00 p.m. to be sent in that week’s RU Mail broadcast. You must include: name of event, date, time, location, description, sponsoring organization, contact information, and if the event is free or ID is required.
 - **Butcher Block Paper Flyers:** These large flyers are acceptable to hang, with blue tape only, on the Wabash Bridge walls with prior approval from CSI.
 - Marketing Policies:
 - If a RSO has received SAFAC funds for its event, **the SAFAC logo** must be present on the marketing material. A detailed description of sanctions can be found in the Funding chapter, located on page 26, under “Advertising Policies”

- Due to limited board space, there is no guarantee that flyers will be posted on all boards. Full exposure for double sided or tri-fold brochures cannot be guaranteed.
- Materials may only be posted in designated areas and **NEVER** taped to walls.
- CSI or the Office of Physical Resources may remove unapproved or improperly placed flyers or advertisements.
- Posted items must be of a nonprofit nature. Direct service items that might benefit the Roosevelt community will be dealt with on a case-by-case basis.
- The CSI is not responsible for getting directional signs, materials, food, etc. for an event that it is not sponsoring. That is the responsibility of the office or organization sponsoring the event.
- For more Marketing Tips, please see the Student Organization Handouts

- **Below is the Process for Applying for an After Hours Event Request:**
 - The student organization hosting and/or sponsoring an after hour building event must print and complete a hard copy of the AFTER HOURS BUILDING ACCESS REQUEST FORM (online at roosevelt.edu/CSI/Orgs/Documents) from Campus Safety. The hosting and/or sponsoring organization must complete and submit the Form two (2) weeks prior to the event.

- Once Campus Safety receives the completed Form, the Campus Safety Officer will date and timestamp the Form.
- Campus Safety will review the form with the Director of the Center of Student Involvement (CSI) to verify the hosting Roosevelt University Student Organization status. Once the request is approved by all parties, the RSO will be notified.
- If the RU Student Organization needs access to the CSI Area after building hours, the hosting/sponsoring RU Organization's Officer(s) will need to sign out a key with the date and time from the Campus Safety desk located on the 1st floor. The RU Organization's Officer(s) will leave their Roosevelt identification while the key is being used. Once the RU Organization is done using the key, they will return the key to the Campus Safety desk located on the 1st floor and their RU identification will be returned.
- If the after hour building event is denied, the hosting and/or sponsoring organization will be notified as well as the Director of CSI. The Vice Provost for Budget and Planning decision is final.

Introduction

This section will explain the process of student organization funding, which is facilitated between you (the RSO) and the SAFAC Board; the CSI advisors advise the SAFAC Board. The student-volunteer board consists of: the SAFAC Chair, the Budget Manager, Secretary, CSI Representative, SPEED Representative, and General Members. Although SAFAC is more than happy to answer any funding questions (especially during funding proposal meetings), the board only meets once a week to go over Funding Proposals that are submitted by Student Organizations; please direct any general questions about the funding process or SAFAC to CSI. Please note, in order to be eligible for funding, you must have Registered Student Organization (RSO) classification by properly registering your student organization with the Center for Student Involvement (this process is located on page 5).

Process of Applying for Funding

1. Download, print, and fill out the SAFAC Funding Proposal, which is located on CSI's Student Organization Documents and Forms section: roosevelt.edu/CSI/Orgs/Documents.
2. The president and advisor of each organization (including the advisor/president signatures of any collaborating RSOs) must review and sign all funding request forms, and invoices.
3. Turn in the completed SAFAC Funding Proposal and return it to the Center for Student Involvement (WB 323) front desk **AT LEAST 3 WEEKS** before the date of your event.
 - a. Necessary paperwork includes a Funding Proposal for each event with an attached budget or program description and any accompanying documents. Funding request paperwork *will not* be accepted after the indicated due date, but can be considered for the next funding period.
