FRESH SOUPS DAILY

Okay, we all know you loooove soup! So here's the deal:

All of our soups are made in our kitchens here at the Schaumburg campus from scratch - we have no canned, bagged or pre-purchased soups. If you don't believe us, please come by and you can watch! Our soups are made with chicken, vegetable or veal stock that are also made from scratch. For those of you who have wheat allergies - we do not make our soups from roux and we do not thicken our soups with flour or corn starch. Just yummy delicious love from the Chef.

We have three fresh soups available everyday. Come down and check em' out.

Enjoy a dining experience inspired by good food.

THE **UN**-CAFETERIA

Just like the lively neighborhood cafés of Chicago, Snack is a gathering place for our faculty, staff, students and beyond. The staff is friendly, reliable and eager to please. Nowhere in Chicago will you enjoy such thoughtful, accessible food and fresh-brewed coffee in a casual setting for lunch or dinner. Or, visit the café for an afternoon snack to go with a relaxing cup of joe or a deep, rich cup of espresso.

Try a customer favorite like our giant smore's cookie or our fresh baked chocolate cream cheese muffins. Be sure to ask about seasonal specials and our homemade pastries. Every sandwich is made with artisan bread and our deli meats are roasted on site. Order for carryout if you can't stay!
